

Privacy Policy

Introduction

At e-OsTech.com, we are committed to protecting your privacy and ensuring the security of your personal information. This Privacy Policy explains how we collect, use, store, and protect the information shared with us through our website and services.

Information We Collect

We may collect personal details such as your name, email address, phone number, company information, and any details submitted through contact forms or demo requests.

How We Use Information

The information collected is used to provide support, improve our services, respond to inquiries, schedule consultations, and deliver secure technology solutions tailored to client requirements.

Data Protection

e-OsTech.com implements modern security practices, encryption standards, and access controls to safeguard all user information against unauthorized access or misuse.

Third-Party Services

We may use trusted third-party platforms for hosting, analytics, communication, or payment processing. These services operate under their own privacy policies and security standards.

User Rights

Users may request access, correction, or deletion of their personal information by contacting our support team.

Policy Updates

This Privacy Policy may be updated periodically to reflect service improvements, legal requirements, or security enhancements.
